Diane Green Design specializes in Squarespace web design and SEO for small business owners who want to build a strong, search-friendly online presence. Diane works closely with clients to create brand-aligned websites that look great, read clearly, and attract ideal customers. Whether a business is launching something new, updating an existing site, or seeking online visibility, Diane Green Design's thoughtful, collaborative process is built around client goals. Services include signature website design and smart SEO packages, standalone SEO services, and local SEO to help small businesses show up, stand out and grow.
