Escajeda Masonry is a construction based company in Pittsburgh, PA. Since 2006, it has been our privilege to assist residential and commercial clients in resolving their masonry restoration and new construction requests. Through our experience, personable services, and professionalism, we finish your requests correctly and on time.

Our office staff and on-site management team is dedicated to keeping the customer informed. We coordinate all phases of their project with them to ensure and environment where there is a balance of safety and quality.
