We sell pop-culture branded jewelry, pins, and other accessories at fan conventions (you know, “cons”) and here on jewelrybrands.shop. We exclusively sell bonafide officially licensed products for some of the most beloved creative powerhouses, including....but not limited to... DC, Marvel, Hasbro, Cartoon Network, Nickelodeon, Naruto, Dragonball Z, and Star Wars! Jewelrybrands.shop was launched to bring exclusive items directly to the fans. While we focus on unique items we normally sell directly at conventions. We also have "run offs" from other programs and various other limited edition items from time to time.
