Elevate your health at Sarasota's top destination for holistic healing and advanced therapies. Owned and operated by a board-certified neurosurgeon and neuroscientist, our center offers science-backed treatments to support your mind and body. Services include red light therapy, hyperbaric oxygen, IV drip therapy, rTMS for depression and anxiety treatment, as well as proprietary technologies like the theta chamber for stress management and cognitive enhancement. We also specialize in body contouring, pain treatment, injury recovery for athletes, and movement disorder treatment.
