Car hire at Sydney Airport has never been easier! Our SIXT Car Rental counters are located inside the arrivals halls of Terminals T1, T2, and T3, so you can get started as soon as you land. After your rental agreement is completed, head straight to our complimentary shuttle (from T2 and T3) or take a short walk from T1 to your vehicle pickup. Our fleet of rental cars is extensive, so you'll always find something that suits you, from a green electric model to a top-tier luxury sedan, or something compact and built for city streets.
