**Kuala Lumpur, Malaysia 30 September 2025** The Malaysia Drone Chamber of Commerce & Industry (MDCoCI) proudly participated as a **Strategic Partner** at **Drone Tech Asia 2025**, held at the Malaysia International Trade and Exhibition Centre (MITEC). MDCoCI's presence included a full initiative showcase and a dedicated exhibition space at **Booth 7010**, spotlighting Malaysia's growing influence in the global drone and AI ecosystem.

MDCoCI currently comprises **93+ active members**, with a strong majority from Malaysia and select global representatives. The Chamber serves as a strategic platform for commercialization, partnership development, and

global expansion of drone and AI technologies.

During the event, **YB Liew Chin Tong**, Deputy Minister of the Ministry of Investment, Trade and Industry (MITI), visited MDCoCI's booth and commended the Chamber's efforts in advancing Malaysia's drone capabilities. He expressed admiration for

- The emergence of **Drone Ecosystem Ventures Corporation** as a powerhouse in Drone AI
- The innovative model of **Koperasi Teknologi Dron Malaysia Berhad (KTDMB)**, now recognized as the **world's first Drone Cooperative and technology funding corporation** for Malaysian Drone AI startups. With **90+ subscribing investor-members (saham)**, KTDMB is able to provide **technology funding ranging from RM50,000 to RM900,000**
- Malaysia's pioneering **HiiLSE Drone Cleaning Technology Solutions**, acknowledged as a breakthrough in industrial drone applications

MDCoCI and KTDMB have jointly activated access to a growing pool of **963+ investors**, who are coming onboard through targeted fundraising campaigns aligned with specific Drone AI ventures. This marks a major leap in Malaysia's ability to fund, scale, and export drone technologies globally.

**KTDMB** invites Malaysian innovators and startups to explore funding opportunities by contacting [info@ktdmb.my](mailto:info@ktdmb.my). MDCoCI welcomes inquiries from companies and institutions seeking **nurturing support toward grant readiness** via [info@mdcoci.org](mailto:info@mdcoci.org).

**Affin Bank Joins MDCoCI's Vibrant Team at DTA2025** MDCoCI extends its appreciation to **Affin Bank**, a valued partner, for its joint participation at Drone Tech Asia 2025. The presence of Affin Bank's vibrant and forward-looking team added depth to the Chamber's showcase, reinforcing the importance of financial institutions in enabling Malaysia's drone and AI ecosystem.

"We are honored by the Deputy Minister's recognition and proud to represent Malaysia's drone innovation on a global stage," said **Chief Elanggovan**, MDCoCI's founding leader. "This marks a significant milestone in our journey to position Malaysia as a hub for drone, AI, and green technology commercialization."

MDCoCI extends its gratitude to all partners, collaborators, and stakeholders who continue to support the Chamber's mission to build a robust, future-ready drone ecosystem.

**Members Appreciation** MDCoCI proudly acknowledges the contributions of its dynamic member organizations and leaders who continue to shape Malaysia's drone future
